WORK EXPERIENCE

05/09/2022 - Present

C# DotNet Developer

Mendes Talent (<https://mendestalent.com.br>)/Ingram Micro (<https://www.ingrammicro.com.br>)

Analyze, develop, and maintain projects using Agile methodology. Integral part of a two-developer squad specializing in backend development with .NET 8 and SQL Server for database management. Focus on issue resolution, implementing improvements, and introducing new features for global teams. Proficient in web application development, API creation, and integration of new technologies. Contributions include bug fixes and overall system maintenance.
Business or sector Distribution and Information Technology Services

19/11/2021 - 02/09/2022

Junior C# DotNet Developer

Qintess/C&A and Caixa Economica Federal -DPVAT (<https://www.caixa.gov.br/servicos/dpvat>)

Analyze, develop, and maintain projects using Agile methodology. Transitioned to Caixa Econômica Federal after four months at C&A, focusing on .NET Core 3.1, .NET 5, and MySQL. Collaborated on front-end development using Angular.
Business or sector Caixa Econômica Federal-DPVAT: Financial Institution/Mandatory Insurance

18/11/2020 - 18/11/2021

Java Developer Trainee

Qintess (<https://qintess.com>) / C&A (<https://www.cea.com.br>)

Analyze, develop, and maintain projects using Agile methodology. Transitioned to Caixa Econômica Federal after four months at C&A, focusing on .NET Core 3.1, .NET 5, and MySQL. Collaborated on front-end development using Angular.
Business or sector C&A: Retail - Fashion and Apparel

EDUCATION AND TRAINING

02/2020 - 07/2022

Analysis and Systems Development

Claretian University Center

Key Skills: User Interface Design, Programming Proficiency (Algorithmic Thinking), Database Management, Software Engineering Best Practices, Web Development, Object-Oriented Programming (Java), Networking, Mobile Application Development, Information Security and Auditing.

Achievements: Consistently excelled in projects, achieving high performance and approval. This academic journey provided a comprehensive skill set in analysis and systems development, with a focus on practical expertise in key areas.

PERSONAL SKILLS

Mother tongue(s) Portuguese

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	A2	A2	A1	A1	A2
Spanish	A1	A1	A1	A1	A1

Levels: A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
Common European Framework of Reference for Languages

Communication skills

Proficient communication skills cultivated through three years as a C# .NET Developer, fostering effective collaboration within agile development teams and facilitating clear interaction with stakeholders.

Organisational / managerial skills

Developed strong organisational and managerial competencies throughout diverse roles in software development:
At Mendes Talent, played a pivotal role in leading a two-developer squad, overseeing backend development with .NET 8 and SQL Server for database management for global teams across Brazil, the USA, and India.
During the tenure at Quintess, successfully navigated the transition from C&A to Caixa Econômica Federal, demonstrating adaptability and effective project management within an Agile framework.
Engaged in collaborative roles in training, hackathon, and development at Quintess, contributing to team coordination and collaboration in Agile environments, including responsibilities such as maintaining monolithic systems, developing solutions, and participating in UX/UI and front-end-focused projects.

Job-related skills

Extensive Technology Proficiency: C#, .NET (versions 1.1+), SQL Server, Docker, Kubernetes, AWS, Azure, Git, HTML5, CSS3, Bootstrap, JavaScript, React, Angular 8, and more.
Agile Methodologies and Collaboration Tools: Experienced in Agile practices, database management (Oracle, MongoDB, MySQL, PostgreSQL), and collaborative tools (Confluence, JIRA, Git, Swagger, Postman).
Leadership and Adaptability: Demonstrated leadership, problem-solving, and adaptability in diverse projects, ensuring effective coordination and contributions across various technological landscapes.

Computer skills

Programming Languages: Java, C#, .NET Core (Versions 1.1+), ASP.NET MVC, .NET Framework, JavaScript (including libraries/frameworks: Angular, React), Razor (Markup syntax used in ASP.NET), Ajax (Asynchronous JavaScript and XML).
Development Tools: Visual Studio (2015+), Eclipse, and Visual Studio Code.
Database Management: SQL Server (SQRS), Oracle, MongoDB, MySQL, and PostgreSQL.
Cloud Platforms: AWS and Azure.
Version Control: Git.
Containerization and Orchestration: Docker and Kubernetes.
Continuous Integration/Continuous Deployment (CI/CD): CI/CD pipelines, Jenkins, and Git.
Collaborative Tools: Confluence, JIRA, Swagger, Postman, and collaborative coding platforms.
Security: OAuth2 and Authorization.
Microservices and API Management: Microservices, REST API, Apigee.
Logs and Monitoring: DataDog, Dynatrace, Kibana.
Web Technologies: HTML5, CSS3, Bootstrap.

Other skills

Problem-Solving: Proven ability in analysing and resolving complex issues.
Adaptability: Seamless transition between roles, showcasing flexibility.
Collaboration: Adept at collaborative problem-solving in cross-functional teams.
Project Coordination: Effective contribution to diverse projects and architectures.
Resilience: Composed under pressure for consistent performance.
Patience: Fosters a positive environment with a patient demeanour.
Stress Management: Exhibits calmness, adapts to high-pressure scenarios.
